News from Around the County

By Deb KK7DEB

The annual ARES raffle continues at our August monthly meeting and we will have the drawing at 7:30ish. We hope you can find something that you would like to have. Tickets are \$5 and proceeds are used to purchase food items for our go-kit show and tell and Field Day BBQ'S. The funds are also used to purchase propane for the ARES trailer. You can see the raffle items at the table near the ARES trailer.

The July 21st Firestarter exercise had 49 members at 14 field

locations and the August 17th Firestarter round 2 looks just as busy. A big thanks to all for participating as we test our Winlink skills and deployment of our portable equipment. Our portable Winlink gateways have proven to be very successful in forwarding messages out of state which is a major step toward independence of local infrastructure. Enjoy all the pictures sent in from the teams.

has a 3rd party custom belt clip that's much longer than the factory clip which is almost worthless. I've still got the box and the CD with the manual, but I can't find the printed manual anywhere. However I will provide a printout of the manual on double-sided 8x11 paper with the sale. \$300, I'd also be willing to trade for an FT-8900. Contact akarol36@gmail.com
